To holders of ordinary shares of 10p each in the Company

DEAR SHAREHOLDER

I am pleased to be writing to you with details of our Annual General Meeting ('AGM') which we are holding at Wax Chandlers Hall, 6 Gresham Street, London, EC2V 7AD at 2.30pm on 2 September 2015. The formal notice of AGM is set out on pages 3 and 4 of this document and explanatory notes on the business to be considered at this year's AGM appear on pages 4 to 7 of this document.

Final dividend

Shareholders are being asked to approve a final dividend of 12.25p per ordinary share for the year ended 30 April 2015. If approved by the shareholders the recommended final dividend will be paid on 4 September 2015 to all ordinary shareholders who are registered members on 14 August 2015.

Board re-election

The directors, in accordance with the UK Corporate Governance Code published by the Financial Reporting Council, will retire at this year's AGM and will offer themselves for re-election. Resolutions 4 to 12 propose the re-election of such directors.

Brief biographies of the directors are set out on page 43 of the Annual Report and Accounts.

Action to be taken

You are asked to either:

1. complete the enclosed Form of Proxy and return it, together with any power of attorney or other authority under which it is signed or a notarially certified or office copy thereof, to Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA to arrive no later than 2.30pm on 28 August 2015;
- or
2. if you hold your shares in uncertificated form, use the CREST electronic proxy appointment service as described in note 12 to the formal notice of the AGM.

Completion of the Form of Proxy or appointment of a proxy through CREST does not prevent a member from attending and voting in person.

Recommendation

The Board believes that the resolutions to be put to the AGM are in the best interests of the shareholders as a whole and, accordingly, recommends that the shareholders vote in favour of the resolutions, as the directors intend to do in respect of their beneficial shareholdings in the Company.

Yours sincerely

Chris Cole
Chairman

11. If a Nominated Person does not have a right to be appointed, or to have someone else appointed, as a proxy for the Meeting, or does not wish to exercise such a right, he/she may still have the right under an agreement between himself/herself and the member who nominated him/her to give instructions to the member as to the exercise of voting rights at the Meeting. Such Nominated Persons are advised to contact the member who nominated them for further information on this.
12. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the Meeting and any adjournment(s) thereof by utilising the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland's specifications and must contain the information required for such instructions, as described in the CREST Manual (www.euroclear.com). The message must be transmitted so as to be received by the Company's Registrars, Equiniti Limited (ID RA19), by 2.30pm on 28 August 2015. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed (a) voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

To appoint one or more proxies or to give an instruction to a proxy (whether previously appointed or otherwise) via the CREST system, CREST messages must be received by the issuer's agent (ID Number RA19) not later than 2.30pm on 28 August 2015. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp generated by the CREST system) from which the issuer's agent is able to retrieve the message. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended).

You may not use any electronic address provided either in this Notice of Meeting or any related document (including the Form of Proxy) to communicate with the Company for any purposes other than those expressly stated.

13. Resolution 15 – Authority to allot shares or grant subscription or conversion rights (ordinary resolution)

Resolution 15 asks shareholders to grant the directors authority under section 551 of the Act to allot shares or grant such subscription or conversion rights as are contemplated by sections 551(1) (a) and (b) respectively of the Act up to a maximum aggregate nominal value of £33,556,264, being approximately two-thirds of the nominal value of the issued ordinary share capital of the Company (excluding treasury shares) as at 10 July 2015. As at 10 July 2015, the Company held 49,981,592 treasury shares, representing 9% of the total ordinary share capital in issue. £16,778,132 of this authority is reserved for a fully pre-emptive rights issue. This corresponds with the guidance level indicated by the Investment Association and the National Association of Pension Funds. The directors have no present intention of exercising such authority and would not seek to issue more than 7.5% of the issued share capital of the Company in any rolling three-year period without prior consultation with the Investment Committees of the Investment Association and the National Association of Pension Funds. The authority will expire at the next annual general meeting. The resolution replaces a similar resolution passed at the annual general meeting of the Company held on 3 September 2014.

14. Resolution 16 – Disapplication of pre-emption rights (special resolution)

If the directors wish to allot any equity securities for cash, the Act requires that such equity securities are offered first to existing shareholders in proportion to their existing holdings. The Board intends to adhere to the provisions in the Pre-Emption Group's Statement of Principles, as updated in March 2015 and therefore Resolution 16 asks shareholders to grant the directors authority to allot shares for cash on a non-pre-emptive basis pursuant to the authority in Resolution 15, but such allotment shall not be:

- (i) in excess of an amount equal to 5% of the total issued ordinary share capital of the Company excluding treasury shares as at 10 July 2015 (being the latest practicable date prior to publication of this document); or
- (ii) in excess of an amount equal to 7.5% of the total issued ordinary share capital of the Company (excluding treasury shares) within a rolling three-year period, without prior consultation with shareholders, the Investment Committees of the Investment Association and the National Association of Pension Funds,

in each case other than in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

Resolution 16 also asks shareholders to disapply the statutory pre-emption provisions in connection with a rights issue, but only in relation to the amount permitted under Resolution 15, and allows the directors, in the case of a rights issue, to make appropriate arrangements in relation to fractional entitlements or other legal or practical problems that might arise.

This authority will expire at the conclusion of the next annual general meeting. The resolution replaces a similar resolution passed at the annual general meeting of the Company on 3 September 2014.

15. Resolution 17 – Purchase of own shares by the Company (special resolution)

Resolution 17 seeks authority from holders of ordinary shares of 10 pence each in the capital of the Company ('ordinary shares') for the Company to make market purchases of its own ordinary shares, such authority being limited to the purchase of 14.99% of the ordinary shares in issue (excluding treasury shares) as at 10 July 2015. The maximum price payable for the purchase by the Company of its own ordinary shares will be limited to the higher of 5% above the average of the middle market quotations of the Company's ordinary shares, as derived from the Daily Official List of the London Stock Exchange, for the five business days prior to the purchase and the higher of the price of the last independent trade of an ordinary share and the highest current independent bid for an ordinary share as derived from the trading venue where the purchase is carried out. The minimum price payable by the Company for the purchase of its own ordinary shares will be 10 pence per share (being the amount equal to the nominal value of an ordinary share). The authority to purchase the Company's own ordinary shares will only be exercised if the directors consider that there is likely to be a beneficial impact on earnings per ordinary share and that it is in the best interests of the Company at the time.

The resolution renews a similar resolution passed at the annual general meeting of the Company held on 3 September 2014. Company law allows the Company to hold in treasury any shares purchased by it using its distributable profits. Such shares will remain in issue and capable of being re-sold by the Company or used in connection with certain of its share schemes. The Company intends to take advantage of this to the extent that it exercises the authority to buy back its shares, so as to hold the purchased shares in treasury.

At 10 July 2015 (being the latest practicable date prior to publication of this document) there were 3,485,267 options in issue representing 0.7% of the issued ordinary share capital at that date (excluding shares held in treasury). If the directors were to exercise in full the power for which they are seeking authority under resolution 17, the options outstanding as at 10 July 2015 would represent 0.8% of the ordinary share capital (excluding shares held in treasury) in issue following such exercise.

16. Resolution 18 – Adoption of Articles of Association (special resolution)

It is proposed that the Company adopt new Articles of Association (the 'New Articles') principally in order to reflect developments in practice, and to provide clarification and additional flexibility. A summary of the principal changes being proposed in the New Articles are summarised in Appendix 1 to this Notice. Other changes, which are of a minor, technical or clarifying nature, have not been noted in Appendix I. A copy of the New Articles and a copy marked up to show the changes from the existing Articles of Association are available for inspection at the registered office of the Company, Kings House, 36-37 King Street, London, EC2V 8BB, during usual business hours on any weekday (Saturdays, Sundays and public holidays excluded) from the date of this Notice until the conclusion of the Meeting and will be available for inspection at the place of the Meeting for at least 15 minutes prior to and during the Meeting.

17. Resolution 19 – Calling of general meetings (special resolution)

Resolution 19 seeks authority from shareholders to hold general meetings (other than annual general meetings) on not less than 14 days' clear notice. This is permissible under the existing Articles of Association of the Company and the Act. However, pursuant to the EU Shareholders' Rights Directive, specific shareholder approval is required annually in order to retain this ability. The directors believe that there may be circumstances in which it will be important for the Company to be able to call meetings at such short notice. Accordingly, the directors believe that it is important for the Company to retain this flexibility.

Summary of the principal changes to the Articles of Association

1. Purchase of own shares

Under the Companies Act 2006 (the 'Act') the Company is no longer required to have the authority in its articles of association to authorise a purchase of its own shares. The new articles of association (the 'New Articles') have therefore removed this provision. The purchase by the Company of its own shares must still be authorised by shareholders in accordance with the Act.

2. Objections or errors in voting

Section 324A of the Act provides that a proxy must vote in accordance with any instructions given by the shareholder by whom the proxy is appointed.

The New Articles have been amended to include additional language which avoids any implication that the Company needs to enquire whether proxies or corporate representatives have voted in accordance with their instructions. In addition, the New Articles provide that any failure by the proxy or corporate representative to vote as instructed does not invalidate the proceedings on the resolution.

3. Vacation of office by directors

The New Articles have removed the provision for automatic termination of a director's appointment in circumstances where that director's rights or powers are restricted by a court order on mental health grounds. After the coming into force of the Mental Health (Discrimination) Act 2013 termination of a director's appointment on such grounds could be held to be in breach of this discrimination legislation.

4. Directors' fees

The cap on the fees payable to directors for their services in the office of director has been increased in the New Articles to £1,000,000 per annum. This increase would provide the Company with sufficient headroom and flexibility in order to increase the number of directors and maintain its directors' fees in line with the market. Whilst the Company does not anticipate any significant increase to directors' fees, nor any significant increases to the size of the Board, the directors believe that it is prudent to maintain flexibility in this regard.

5. Directors' interests

The New Articles have been amended to include additional language in the directors' conflicts provision which confirms that a director can be a party to a transaction or arrangement with a group company once he has disclosed the nature and extent of his interest.

6. Borrowing powers

The opportunity has been taken to reword the borrowing powers article in order to provide additional clarity. The current limit imposed on directors' borrowing has not been amended in the New Articles.

7. Directors below minimum through vacancies

The New Articles include language to deal with a situation where the number of directors required under the articles of association falls below the minimum. Currently the Board's powers in this regard are very limited. The amended wording in the New Articles would allow the Board in this situation to remain fully functional until additional directors have been appointed.

8. References to authorised share capital and unissued shares

Under the Act there is no longer a concept of authorised share capital or unissued shares. The New Articles have therefore removed any such references.
